EXCELLENCE

The

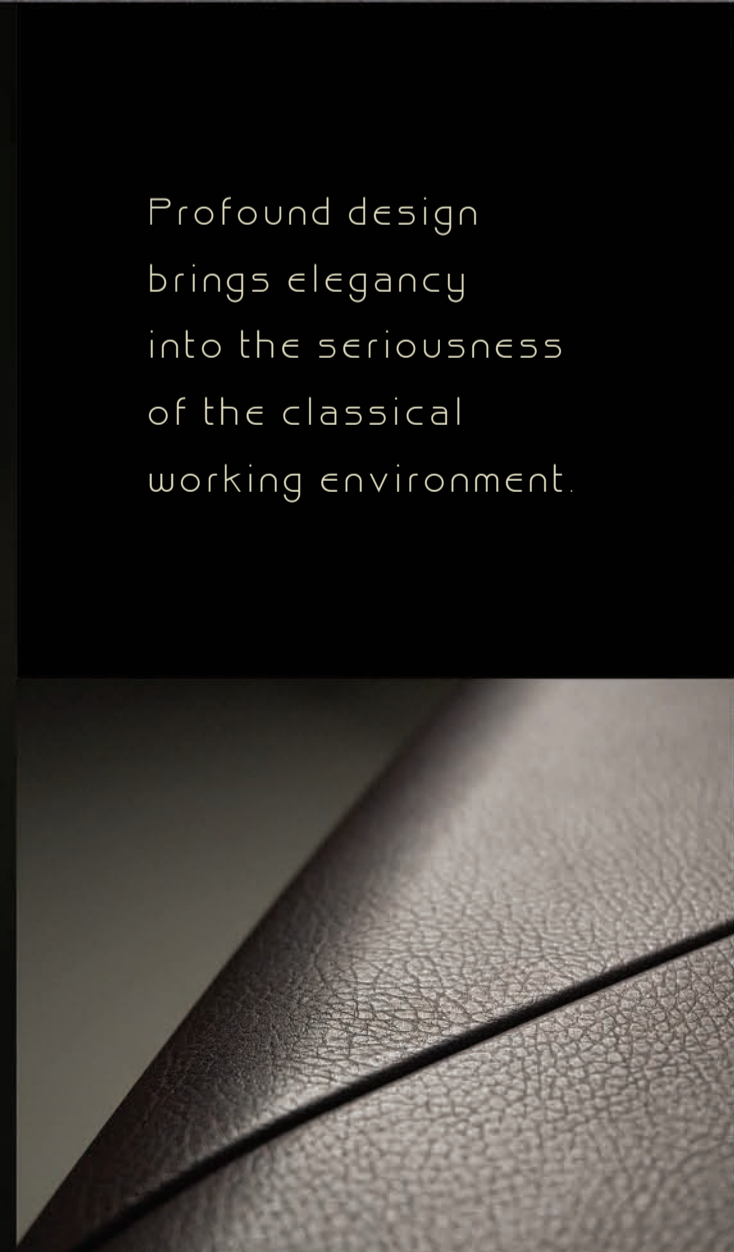

EXCELLENCE

Prestigious, top of the line business furniture designed to satisfy the most demanding segment of costumers. It's natural charisma goes hand in hand with quality workmanship and innovative technology achievements. It offers carefully selected and constantly up-to-date materials such as leather combined with smooth high gloss surfaces and aluminium / gold-plated rims and accessories.

Tailored for pure satisfaction

Design by: Bozo KNEHTL

Profound design
brings elegance
into the seriousness
of the classical
working environment.

Full office setup consists of:

- Electrical "push-to-open" drawer system
- smooth SERVO-DRIVE opening
 - full extension
 - silent closing

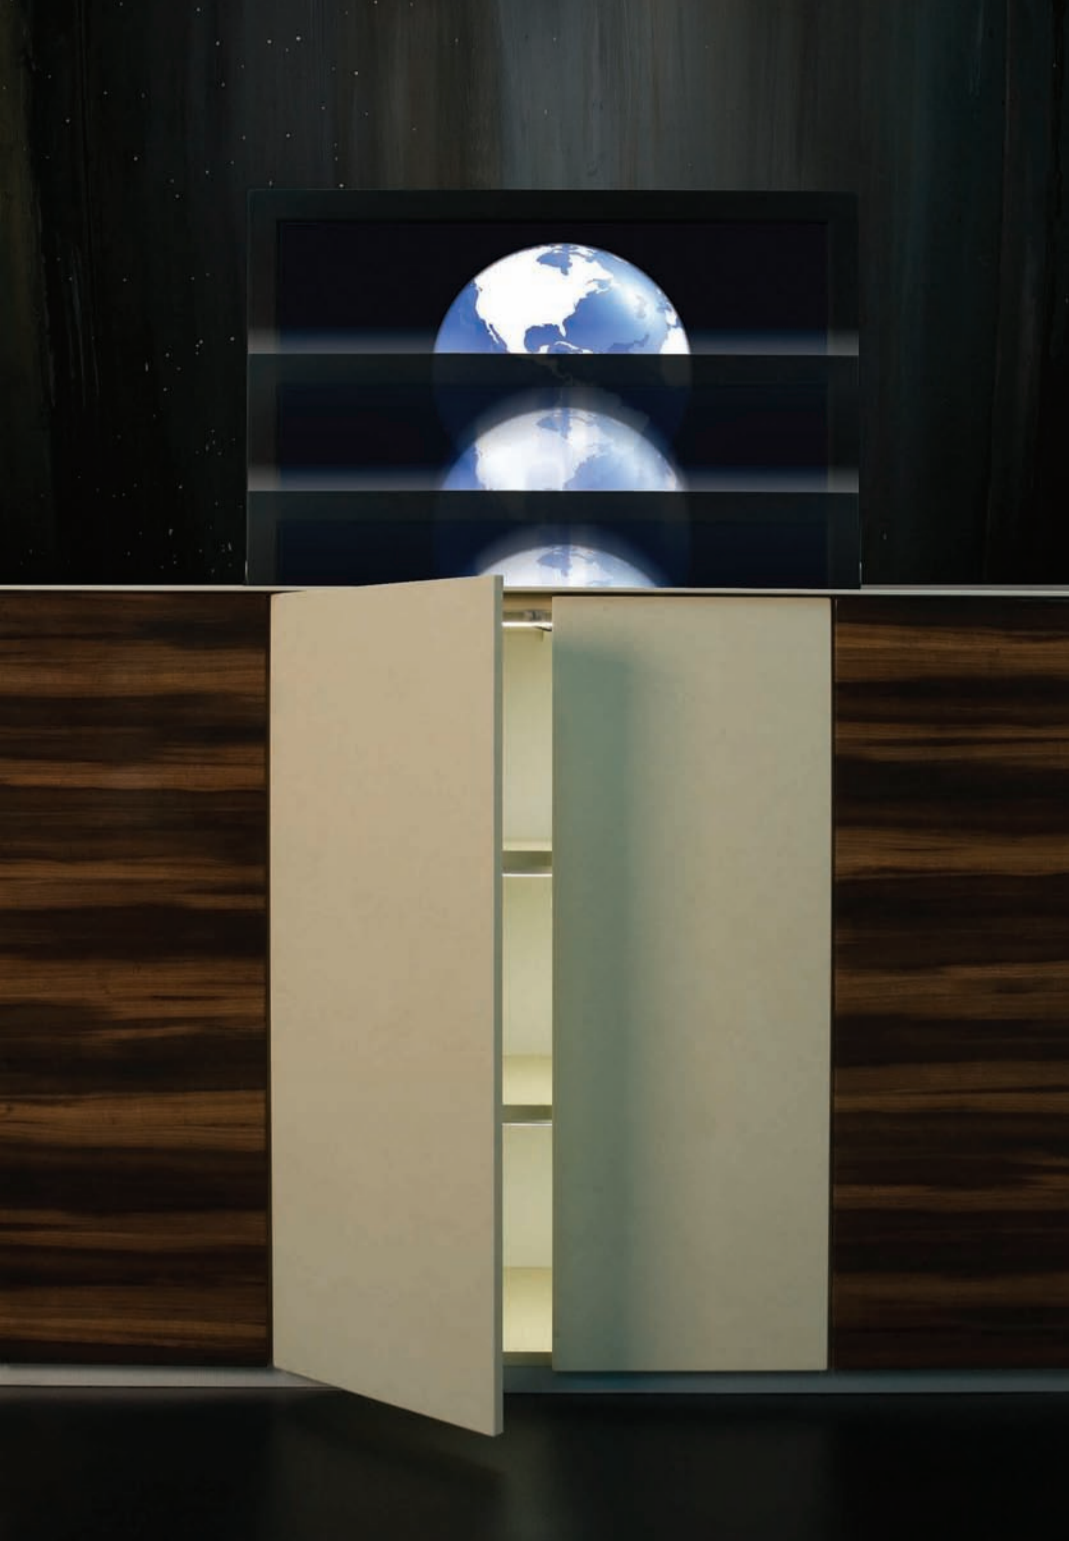

- Elegant table design
- premium materials
 - leather and aluminium/gold combination

- Rotatable Netbox
- 3 built-in electrical sockets
 - 2 RJ45-Network sockets
 - other optional accessories (VGA, USB)

- Leather wall coverings with optional shelves
- excellent durability
 - easy cleaning
 - "holder-free" shelving
 - one optional leather colour

- TV lift system
- remote controlling
 - up to 42" plasma or LCD
 - horizontal and vertical alignment

- Glass shelves with optional LED lightning
- elegant and stylish lights behind shelves
 - glass shelve edge illumination

- Electrical "push to open" drawer unit
- smooth on touch opening
 - full extension
 - silent closing
 - inside lightning

- Manual "push-to-open" doors
- inside lightning
 - door knobs free, on touch opening
